House Appropriations Request FY 2010

Project Name: Rapid Fingerprint Identification
Recipient: City of Raleigh Police Department
Recipient Address: 222 West Hargett Street

Recipient City: Raleigh
Recipient State: North Carolina
Recipient Zip: 27601

Amount of Request: \$550,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds): The Raleigh Police Department (RPD) in partnership with the City/County Bureau of Identification (CCBI) requires funding to launch a pilot project entitled Rapid Identification. Funding for this project will enhance interoperability efforts by providing the ability to make positive automated fingerprint identification in real time. It would allow an officer to scan a person's finger on a portable scanning device and search the database for a positive match. This information is beneficial and useful wherever positive identification may be required.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
